- Choose how you trade equities: online or via your equities adviser
- Trade 24 hours a day while the markets are open
- Safe, secure & regulated

# Expert advice & fast execution when trading the global equity markets

## Around the clock support and advice

Our team of experienced dealers are there to provide support and advice 24 hours a day when the markets are open, from 7.30am Monday until the close of the New York markets on Saturday morning (NZT).

Your client adviser can help you understand the outlook for a wide range of sectors, shares and investment strategies. In addition to phone based support, we can provide you with a range of market reports, daily commentary and latest announcements so that you can stay fully informed of market movements.

## Low brokerage to trade international shares

OMF allows you to trade shares on global markets without paying excessive brokerage fees. Our transparent and competitive commission is limited to buy/sell transactions and there are no custodial fees or dividend commissions.

## A full range of equity products and exchanges

Trade online, or let us execute for you. With such a wide range of sophisticated products and exchanges on offer, OMF have the expertise to align the right trading opportunity to your trading preferences, whether it be:

- NZX and international exchanges
- Options
- Exchange Traded Funds (ETFs)
- Contracts for Difference (CFDs)
- Margin Share Trading
- Initial Public Offerings (IPOs)
- Domestic Fixed Interest Bonds

## Your money is safe with us

As a registered financial services provider and licensed derivatives issuer in New Zealand, OMF is regulated by the FMA who supervise our compliance with New Zealand laws, regulation and best practice standards.

OMF is also a NZX Firm, which requires us to report daily to the NZX on various aspects of our business, including capital adequacy and client funds.

Client funds are held safely on your behalf in a segregated client funds account that is separate from OMF's own capital.

### Risk Warning:

Trading Derivatives carries a high level of risk to your capital and you should only trade with money you can afford to lose. Trading Derivatives may not be suitable for everyone, so please ensure that you fully understand the risks involved. A full Risk Disclosure statement is available on our website and should be considered before deciding to enter into any Derivative transactions with OM Financial Limited.
